**Branch FM, 17 Halifax Road, Dewsbury, West Yorkshire, WF13 2JH, United Kingdom**

As you may be aware Branch FM has been granted a Community Radio Broadcasting License and we are aiming to commence local broadcasts from early 2007. There is a great deal of work to do in the coming weeks and months in preparation for our launch and this will involve significant financial costs for purchasing some new equipment, materials, training, and so on.

We are looking to fund some of these costs and on going daily operating costs through the Covenant Partnership Scheme with Branch FM. This is an exciting opportunity for you to be involved with local radio broadcasting and be a partner in this brand new Christian venture right here in Dewsbury.

This scheme will comprise of individuals committing to give a regular sum of money to the station to help offset our running costs. The amount would be entirely at the discretion of the 'partner' and need not necessarily be a huge sum – even as little as £1 per week would be of significant benefit to Branch FM.

Partners of Branch FM will be kept regularly updated via newsletter on how the radio station is progressing, and will also receive a partnership certificate. In addition, our partners will be invited to special "open nights", and other events that will take place from time to time. Branch FM partners will also be consulted on aspects to continually improve the radio station; this will involve seeking opinions regarding broadcast music, programme features, and ongoing development.

If you are interested in becoming a 'partner' with Branch FM, please would you complete your details on the response form on the opposite page, tear this off and return it to the address above. We will then contact you in the near future to discuss arrangements for you to contribute to the running of Branch FM.
